Appreciation Corner ...

Dale & David Fedora and Bruce & Cyndie Sherman want to thank the congregation for the outpouring of love and encouragement during our mom's illness and home-going. The cards were so special. The dinners, flowers, food and help at the funeral luncheon were so very much appreciated. We love our church family!

Motion for January 31st Annual Business Meeting: The Pastor and Deacons have reviewed the Church Covenant. We have found value in its Christian principles & guidelines. We move that we continue to use the Church Covenant but not require signing the covenant for membership. We believe signing the Church Covenant creates an unnecessary yoke. Our goal is for the Church Covenant not to become a burden but to point people to the Word of God.
