**POINTS TO PONDER**

1. We must never forget to thank God for all of important points, places, and people He has set before us.

2. We must never forget that even in "the lean times," God has met all of our needs.

3. We must never forget because God is "no respecter of persons," the same grace He gives to us is given to all.

4. We must never forget to speak up about, stand on, and be secure in the promises of God.
