The Reverend Michael McNamara

**June 2021**

**Greetings in the Name of the Lord**

So it looks like this month might be the month that we finally start to really move past the pandemic and all that's come with it. As I've been suggesting, we don't really know what will come next, it will be a new world and it will be our jobs to listen and pay attention and allow the Holy Spirit to reveal Rockville Presbyterian church's path into what will come.

For the time being though, let us exhale a bit, let us allow ourselves to enjoy the moment with friends, to reflect on what we've learned about what is most important in our lives, what we want to cultivate and mourn what we have lost. Let us allow ourselves time to just be, to be present, to be aware, to drink up the good weather and cherish those around us we love.

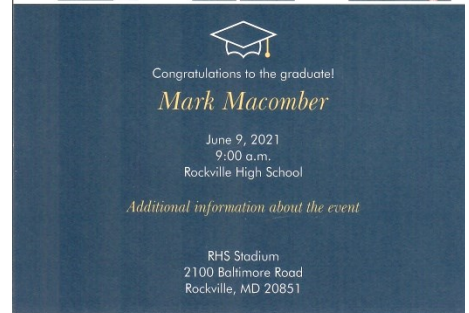

I'll be excited to see all of you back in the sanctuary when we are ready to move into that space, and to begin the process of renewal and restoration God is leading us towards. Unexpected things will happen, our best laid plans will most likely fall apart, but God's love will always be at the center of things if we let it be. If we listen and let God in, we will end up where we need to be, no matter what.

In Peace,

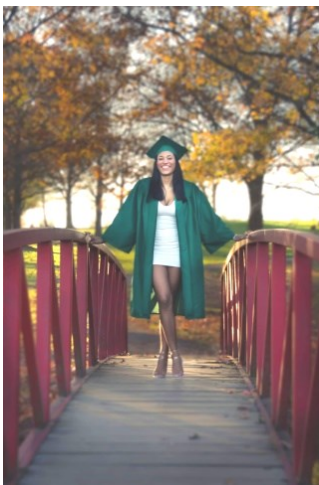

Mike

### Cents-Ability: Remember to collect your Coins!

Don't forget about Cents-Ability! Cents-Ability is part of the Presbyterian Hunger Program, where congregations collect coins at mealtimes to fight against hunger.
