

Leaving a legacy sermon series, part 3, 2013.  
What is your mission in life?

1. God created us intentionally. **Gen 1-26-31; Judges 2:21-23.** "Take care to walk in the way of The Lord."

To relate to Him and to steward the world. He may have a specific desire for us, but usually lets us choose how to serve Him.

2. God wants us to live intentionally. **2 Cor 5:9, 14-15, 17-21.** "Make it your aim to please Him."

It's all about relationship-controlled by love in which we please God with our life as His ambassador, in the world in which we live.

3. Life follows heart. 2Cor 6:16-18;  
7:1; 1 John 4:13-21. Ephes 2:  
19-22. "By this we know that we  
abide in Him and He in us, because He  
has given us His Spirit."

Acknowledging that we together are  
God's temple which is designed for Him  
to live in and to lead others to worship  
Him. As we daily become more of a  
focussed disciple, our lives change to  
reflect whose we are. This, we try to  
share with our family and loved ones.
