

The Secrets of God Revealed

Proverbs 25:2

- 1) There have been great achievements by men to advance the human race by following a particular creation of God.

Note- **Eccl. 1:9**

A. Examples:

1. The telephone by Alexander Graham Bell – the ear
2. The camera – the eye
3. The airplane – the bird
4. Velcro – a little seed

B. There are various “laws” that must be followed.

1. Laws of nature, laws of physics, laws of mathematics, laws of engineering and laws of chemistry, just to name a few.
2. By studying these laws of creation, we then understand that there is a creator of these laws.

Acts 14:16-17, Acts 17:23-27

- 2) If learning natural laws and secrets of creation can improve human life, how much more is there to be known through the Word of God and the teachings of Jesus Christ.

A. Example: **Matt. 13:3-11, 24, 31, 33, 34, 44, 45, 47**

1. Righteousness - **Psa. 37:25**, How to be saved - **Acts 2:38**
2. Compassion to the poor - **Prov. 19:17**
3. Giving - **Luke 6:38**
4. Tithes - **Mal. 3:10-11**
5. Church Attendance – **Heb. 10:25**

B. God’s mysteries revealed.

I Cor. 2:6-9; Rom 16:25-26; Eph. 1:9-10; 3:3-6
