

Is AI in Bible Prophecy? Part Two

1. Two weeks ago, we taught ... “Is AI in Bible Prophecy?” In that lesson we spoke of The Rapture of the Church, the Four Horses of **Rev. Chapt. 6**, and the turning of the Jews back to God.

Then we spoke of the coming of the antichrist, “The Beast”, in **Rev. Chapt. 13** and the “Image of the Beast” **Rev. 13:11-15, 18**

In **Rev. 6** there is a great war fought, **Rev. 6:4, 8** and $\frac{1}{4}$ of the world population dies. (This will probably be a nuclear war.) Then in **Rev. 9:13-18** another war takes out $\frac{1}{3}$ of the remaining population. Then God will turn back to the Jews. **Rom. 11:25, 26** It happens in **Rev. 11**. From that time forward they will be God’s people on earth.

We concluded our last lesson with **Rev. 13:11-15, 18** the coming of the antichrist, the false prophet and the “Image of the antichrist” with the question: could this “image” be by AI?

2. Today we take this thought a little farther.
 - A. After the Rapture of the Church and God turns back to the Jews; then the whole world will turn against Israel. The Bible calls this “Armageddon” **Rev. 16:14**. See also **Zech. 14:2** and **Ezk. 38:14-16**
 - B. So, who are these people that will come against Israel? See **Ezk. 38:1-6, 8-9**
 - C. **Note!** They will all be riding horses and fighting with primitive weapons. Why? Could it be that AI will have nullified modern warfare?
 - D. God will then fight for Israel. **Ezk. 38:18-23** **Isa. 34: 1-2, 8;** **Rev. 19:11-15** This will be the Battle of Armageddon.
3. How close are we to the Lord coming back for His church? Very close! See **Hos. 6:2**, **II Peter 3:8**. After the Rapture these other things will begin to happen.
