

Our Need of Faith

1. The Importance of Faith **Hebrews 11:6**

A. We can't be saved without Faith. **John 3:15-16 6:40, 47**

B. We are saved by Grace---through Faith.

Eph. 2:8 Titus 2:11-12 Grace is to all people.

1. What is Grace? Answer – The unearned favor of God.

Such as; Calvary, the shed blood of Christ, the gift of the Holy Ghost, the written Word of God, pastors, evangelists, teachers etc. This Grace is given to all people. **Titus 2:11 I Tim. 2:4 II Peter 3:9**

But all people are not saved.

2. Grace must be coupled with Faith. Faith is our response to God's Grace. **Hebrews 4:2 Romans 10:13-14, 17**

3. ...And Faith must be put into action. Examples:
